

Formed in the slimy streets of Salem, Oregon, comes Boundless Joy. The band combines Metal, Funk, Punk and Rock to create a unique blend of heavy riffs, infectious hooks, and a raw energy that sets us apart from the rest.

With the release of Boundless Joy's debut self-titled album, the band is excited to introduce the world to their music. The album features 8 tracks that highlight the diverse range of influences and musical styles, from classic rock to heavy metal.

Vocalist and Guitarist Sean McLeod and Bassist Robert Keith have been honing their craft and chemistry for years, bringing in Drummer Ivan de Prume, former drummer of the legendary band White Zombie. His experience and talent behind the kit have taken the band's music to the next level, bringing an added intensity and edge to their sound.

From the soaring chorus of the lead single "Cloak of Shadows" to the thunderous drums of "The Last Triangle", Boundless Joy's debut album is a testament to the band's dedication to creating hard-hitting, unforgettable rock music.

So turn up the volume, hold onto your butts, and join them on this epic rock journey. The band is just getting started, and the best is yet to come. Here's a few for ya to check out...
